You can receive up to 1/2 credit back on your exam questions that you missed by submitting test corrections. You will need to **hand write** the question and then write your answer. You can do this on notebook paper and then upload a scanned picture of it here. Please use this app to upload your scratch paper, CamScanner: [CamScanner Link](https://www.camscanner.com/) (<https://www.camscanner.com/>). Gradescope also has instructions around this at this site: [Gradescope Scanning Instructions](https://help.gradescope.com/article/0chl25eed3-student-scan-mobile-device) (<https://help.gradescope.com/article/0chl25eed3-student-scan-mobile-device>) . Please note that you will will upload the document here, not in Gradescope.

Please let me know if you have any concerns or questions.
